Profile

## **Developer**

Experienced full-stack developer, who tackles high-level tasks, meets tight deadlines and delivers consistently outstanding performances. Possesses profound knowledge in web services and cloud-based services. Delivers inspired, high-quality, scalable solutions to secure high availability and high scalability qualifications. Exhibits strong self-teaching skills, excellent team-working and communication skills. Core competencies includes:

Software Engineering - Web Development - RESTful API Design - Automated Test - Responsive Design - Animation - Performance Optimization - Ruby on Rails.

Experience

Research Assistant, CCIS Department, Aalto University – October 2015 — present

Research into Internet of Things topic.

Web Developer, VCCloud Department, VC Corp - September 2013 - August 2015

- Developing web application services for VCCloud's Cloud Computing System.
- Developing RESTful web services.
- Deploying and maintaining VCCloud's web servers.

**Research Intern**, International Institute for Computational Science and Engineering, Hanoi University of Science and Technology – <u>March 2013– July 2014</u>

- Working in a research project on Cloud Computing technologies, being responsible for implementing a cloud computing infrastructure using CloudStack and an object storage service using Swift.
- Developing web application services for cloud computing system BKCloud.
- Researching into high performance computing using CUDA technology.

Internship/Web Developer, Framgia, Inc. – <u>July 2012 – July 2013</u>

- Developing websites using Ruby on Rails.
- Developing IOS, Android mobile applications.
- Assisting senior developers to design user interface.

Education

Master in Computer Science, Aalto University, Finland — 2015 — Present

Honours Programme Participant.

**Engineer in Information Technology,** Hanoi University of Science and Technology, Vietnam -2009-2014

- Very Good Degree.
- GPA: 8.76/10 1<sup>st</sup> rank in ICT programme cohort 54

Language Skills

Mother tongue(s)

Vietnamese
